

How to Create a Term Plan

Why Create A Term Plan?

- Creating a term plan before your official registration time opens will make your registration process go more smoothly because you will already have your schedule planned out with the courses and times that work best for you.
- That way, once your registration time ticket opens, all you have to do is load your term plan and submit it.
- You can make multiple terms plans to have back-ups if you feel that a course you want to enroll in will be full by the time you can register.

DISCLAIMER Creating a term plan does not guarantee you a seat in a course. This is simply to help you prepare for registration.

1. Log into R'Web (www.portal.ucr.edu)

The screenshot shows the R'Web portal interface. At the top, there is a blue header with the 'R WEB' logo, a search bar, and the UCR Riverside logo. Below the header, there are navigation tabs for 'Student' and 'Authorized Apps'. The main content area is divided into several sections:

- Self-Service:** A grid of icons for various services including Authorization & Privacy, Campus Housing, Daily Wellness Survey, Degree Audit, Emergency Notification, Financial Aid, Graduation Grades & Test Scores, Holds, iEval, iLearn, My Term Schedule, My Textbooks, Personal Information, Registration, R Grad (Grad Students Only), R Mail, Student Account, and Student Profile. An arrow points to the 'Registration' icon.
- Student Spotlights:** A featured banner for 'LET'S DO R PART' with the text 'FOR THE CAMPUS COMMUNITY' and 'Getting Ready to Return to Campus'.
- Announcements:** A section with 'Highlander Shoutouts' and news items such as 'Complete the Return to Campus Training in iLearn by Nov. 18, 2021' and 'Career Exploration Conference: Law'.
- Banner Student Holds:** A section with a 'Student Health' link.
- Get Involved:** A section at the bottom right.
